**Moscow State University of Psychology & Education
together with
the RUSSIAN EDUCATIONAL RESEARCH ASSOCIATION
and in partnership with other leading universities**

**are cordially inviting you to participate in the XXII International Scientific and Practical
Conference for young educational researchers**

**"Mentoring in Educational and Scientific Activities:
Research and Practice"**

November 2-3, 2023

The Conference will be held in an online and in an offline format

The students of bachelor's, specialist, master's and PhD studies in education are invited to participate in the Conference.

The goal of the Conference is to create a space for self-determination and socialization of young researchers and to facilitate roadmaps for their prospective research and educational practices.

Conference objectives:

- Presentation of various research outcomes and ideas;
- Creating a space for scientific reflection and feedbacks;
- Strengthening of cooperation between young researchers in education and building of research networking;
- Raising awareness on future research and educational self-development opportunities: thematic conferences, regular seminars, summer schools, internships;
- Meeting research mentors, supervisors and consultants, and building relationships;
- Facilitating individual routes for future training and education;
- Support in integration into the global agenda of educational research.

The Conference Program Committee, consisting of the members of the Science Council of the Russian Educational Research Association, is chaired by:

A. Margolis, Rector of MSUPE, Honorary Professor of MSUPE (Moscow),
S. Kosaretsky, Director of Pinsky Centre of General and Extracurricular Education, Associate Professor of Department of Educational Programs of Institute of Education, HSE University (Moscow).

Associations of educational researchers from other countries will take part in the Conference.

The Conference Program includes plenary session, thematic sections and round tables, and interactive master classes.

The Conference sections will cover the following topics:

1. Psychological research in education
2. Pedagogical research: best experiences and innovations in pedagogical practice
3. Research in educational management
4. Research in sociology and philosophy of education
5. Research in pre-school childhood and education
6. Research on development of digital technologies in education
7. Research in educational measurement
8. Research in special pedagogy and inclusion

Forms of participation:

- ✓ Oral presentation
- ✓ Attending participant
- ✓ Abstracts for publication

Only the abstracts approved by the reviewers will be published after the event in an online Compendium of the Conference.

The best oral presentations will be nominated for the publication in the MSUPE journals included into the international sources of Web of Science и Scopus.

How to participate:

All interested participants are invited to register at the Conference Website: <http://myeduconf.ru>

The applications deadline for participation with an oral presentation is **October 2, 2023**.
The required format of abstracts can be found at: <https://myeduconf.ru/conference/requirements>. It is recommended to use a stylefile available at the "For the participant" section of the Conference Website <http://myeduconf.ru>.

Participation in the conference is free of charge.

Languages of the conference are Russian and English/
